Anurag Sanjay Parkhe

+91-7249147755 anuragparkhe7755@gmail.com linkedin.com/in/anuragparkhe github.com/Anuragp7788

Education

Indian Institute of Technology (BHU), Varanasi **2022 – 2026**
B.Tech, Ceramic Engineering

Skills

Languages/Tools: Python (Pandas, NumPy), SQL, Power BI, Excel
Core Skills: Data Analysis, Data Visualization, Business Insights, KPI Analysis

Experience

Hightide **May 2025 – July 2025**
Business Analyst Intern
- Analyzed marketing and user datasets using Python to identify patterns impacting user acquisition and engagement
- Built KPI dashboards (CTR, CAC) to monitor campaign performance and support data-driven growth decisions
- Collaborated with product teams to convert insights into actionable feature improvements
- Synthesized user behavior data to contribute to strategic decision-making

MentorQ Pro
Co-Founder
- Built and launched a mentoring platform, focusing on user acquisition and engagement strategy
- Designed a lead generation system to validate demand and improve conversion rates
- Analyzed user interaction data to identify drop-offs and improve retention

Projects

Market Trend Analytics Dashboard [GitHub]
- Built an interactive dashboard to visualize near real-time market data using API-based data sources
- Analyzed price trends using line and candlestick charts to identify patterns and volatility
- Implemented KPI tracking and auto-refresh to simulate real-time monitoring

Customer Segmentation for Business Insights [GitHub]
- Segmented customers based on behavioral metrics such as spending and engagement patterns
- Identified high-value and at-risk segments to support targeted marketing strategies
- Applied clustering techniques to uncover patterns in customer behavior

E-commerce Sales Analytics – SQL [GitHub]
- Analyzed transactional data using SQL to derive insights on revenue trends and customer behavior
- Computed key metrics such as repeat customers, top products, and monthly revenue trends
- Used joins and aggregations to support data-driven business decisions

Positions of Responsibility
